A major highlight of the auction is an **original portrait by painter Stephan Pratt**, for which the winner can choose any subject: Landscape...seascape...group or individual portrait...or a combination. Canvas size is 30" x 40". Stephan will work from digital photos, or he can take new ones, or even arrange to be present to paint from direct observation, depending on what works best for the winner.

In addition to PacRep’s unique collection of auction items, three very special opportunities are available:

The 2022/23 Chef Hosted Dinner package, which includes three of Carmel-by-the-Sea’s most outstanding restaurants.
